

## Instructions to view .ePUB file

.ePUB file to be used on devices other than Kindles, or devices not using the Kindle app

*Please note, these instructions are a guide only. Your device, device set-up and e-reader may differ. If you are having trouble downloading or viewing the file, please refer to your manufacturer's instructions for opening this type of file.*

*Please be patient when downloading the file; to maintain the quality of the images throughout the book, the file size is quite large (87 MB) and, depending on your internet speed, it may take a while to download.*

### To open .ePUB file on iPhone or iPad

1. Check that you have the iBooks or Apple Books app installed on your device.
2. Download or save the .ePUB file onto your device.
3. Navigate to the folder where you have saved the .ePUB file.
4. Hold down the icon for the .ePUB file. A menu should open which says 'Open In'. Select iBooks or Apple Books.
5. The book should automatically open in iBooks or Apple Books for you to review.

### To open .ePUB file on Android device

1. Check that you have an e-reader app installed on your device, such as Google Play Books.
2. Download the .ePUB file.
3. Navigate to the downloaded .ePUB file. If using Google Play Books, tap 'Upload to Play Books' (other e-readers may differ).
4. You can then find the file in 'My Library > Uploads', and begin reading.

### To open .ePUB file on Windows PC

1. Ensure that you have an e-reader app installed on your computer, such as Adobe Digital Editions
2. Download the .ePUB file.
3. Open your e-reader. If you are using Adobe Digital Editions, go to 'File > Add to Library'
4. Find the saved .ePUB file on your computer. (By default, files are saved to your computer's 'Downloads' folder.)
5. Double click on the .ePUB file to start reading.

### To open .ePUB file on Mac

1. Check that you have iBooks or Apple Books installed on your Mac.
2. Download the .ePUB file.
3. Find the saved .ePUB file on your Mac.
4. Ctrl+click to open with iBooks or Apple Books.
