About Spirax Sarco

Spirax-Sarco Engineering plc is the world leader in each of its two businesses, Spirax Sarco for steam specialties and Watson-Marlow Fluid Technology Group for niche peristaltic pumps and associated fluid path technologies. The steam specialties business provides a broad range of fluid control products, engineered packages, site services and systems expertise for a diverse range of industrial and institutional customers. The company helps its customers to improve production efficiency, reduce energy costs, water usage and emissions, improve product quality and enhance the safety of their operations. Watson-Marlow Fluid Technology Group offers the ideal solution for a wide variety of demanding fluid path applications with highly accurate, controllable and virtually maintenance free pumps and associated technologies. The Group is headquartered in Cheltenham, England, has strategically located manufacturing plants around the world and employs approximately 4,800 people, of whom around 1,300 are direct sales and service engineers. Its shares have been listed on the London Stock Exchange since 1959 (symbol: SPX).
